# The brand EMOTI Chocolate by Elysberg Confiserie BVBA

is proud to go in the footsteps of the best tradition of Belgian chocolate and willingly accepts the obligation to meet standards of the highest quality of all products in our portfolio. Elysberg Confiserie is a specialist in the field of chocolate delicacies that are known for their excellent taste and elegant design. Our ambition was not only to present the chocolates in the nice looking packaging, but first of all the chocolates with a great taste to become messengers of positive emotions and that is the reason why we named our brand EMOTI.

Selection of most delicious Belgian pralines and Pate de Fruits presented in attractive gift boxes under the EMOTI CHOCOLATE brand, really stand out with their unique taste. Every time we taste them; we really enjoy the unique combination of quality chocolate and delicate filling. We love them, our families do too, and nothing better is needed.

For more than 15 years, EMOTI share a little happiness and positive emotions with people from all over the world and let them discover our unique fantastic taste of our chocolate collections.

# Today under the EMOTI Chocolate brand we offer more than 100 different gift products.

Our main customers are specialty shops, gift business orientated companies as well as selected retail chains from countries in Western and Eastern Europe, Far East.

Distinctive feature of our range is ability to offer small packaging containing only 3 or 4 delicious pralines suitable for special events or as a gift for your clients and etc.

All of our products fulfill the strict requirements of the International Food Standard (IFS) as well as the internal rules of quality management. Our family business respects and honors old traditions and at the same time we are open to the state-of-art innovations as well. We devote great attention to each detail throughout every stage of production and keen customer service.

**We are driven by the rule:**

*"The best gift – is the one you can enjoy"*

And that is the key of our success.

FOCUSED ON GOURMET TASTE

# The meaning of Emoti

Delicious chocolate collections EMOTI CHOCOLATE develop and present as small chocolate gifts that will enhance mood and make feel wonderful thru emotions evoking a smile of tenderness only at the first glance at the elegant packaging and again a pleasant feeling when opening the boxes and, of course, when tasting our pralines.

There aren't many things that can caress the human soul as pleasantly and positively as chocolate with wonderful effects of the delicious and tasty still remain a mystery. Recently, some scientists have come with an explanation by claiming to discover plant hormones of "happiness and love" in cocoa beans similar to those that the brain of the person produces in love. Belgian chocolates are well known as a delicacy. Every bite of chocolates is a small olfactory and gustatory surprise that affects human emotions for sure. Therefore, our collection of extraordinary chocolate delicacies is called – EMOTI, which originates from the word "emotions". The name EMOTI itself is part of the French word as well as the English and in many other languages familiar word emotion. Emotions are goals, meets needs, the experience of satisfaction, joy, and happiness.

# Chocolates Selection

The image features a variety of Belgian chocolates. On the left, a large, textured chocolate piece is partially visible. In the center, a small chocolate is embossed with a lion rampant, a traditional symbol of Belgium. Above and below the main text are two rectangular chocolates decorated with thin, parallel diagonal stripes. To the right of the word 'Chocolates' is a small, open chocolate box containing a chocolate piece with a detailed embossed design.

Belgian fruit pâtés pressed into miniature candied versions of their fresh counterparts. They are soft and smooth inside, crispy on the outside and are loved for generations with a tradition that dates back to the 10th century, when people preserved fruit into a paste to preserve its delicate taste even after the season is over.
